

## Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy offering products that energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

When considered necessary, the personnel within TREK and its several dealer members in both parts and in technical support will be available. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery running and ready day by day is top priority. The company's top of the line technology delivers dependable machine that ultimately lessens your cleaning expense. The product, the price and the service all work as one to make them an industry leader.
