

American Lincoln Part

American Lincoln Part - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are known in the industry as providing durable and strong machinery that suits the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These kinds of scrubbers are available in the market under the trade mark name "Encore". American Lincoln has the ability to provide parts, warranty service and machines for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of many facility managers where efficiency and results count. Lately, this particular floor scrubber model has been utilized by the architects in different construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
